

# Bumblebees and Dragonflies Homework Trail (Term 4 2023–2024)

## Weekly homework tasks

### Reading

Read or share a book at least five times a week. This could be your school reading book or a book from home.

### Mathletics

A task will be set on Mathletics each week. You can use the games and challenges available on Mathletics as often as you like. The more, the better! Practise the times tables facts that have been sent home.

### Spellings

Have a look at and learn the words from the front of your homework book and practice regularly. Have a look at the high frequency word lists that can be found on the [school website](#). Select the coloured list that contains words that you know you need to practise to enhance your writing.

Off on the trail...

You must complete three squares in a row, passing vertically, horizontally or diagonally through the middle square.

Make a labelled model of how the particles are arranged in solids, liquids and gases using recycled or 'junk' material.

Make a comic strip about a snowman undergoing all three changes of state. Include technical vocabulary and an explanation for each stage.

Create a persuasive advert to encourage someone to visit another country or place– include imperative verbs, a rhetorical question, the power of 3, pictures and any other features of a persuasive text.

Research the history of electricity. Who discovered electricity? How was it discovered? When was it discovered? What is electricity? How does it affect your life today? Consider the best way to present your findings.

Find out about the landscape of Nepal. Compare and contrast two different physical features and their climates– mountains, wetlands, hills, caves, or plains. Write a description of your chosen landscapes. Can you include an illustration?

Design a model which uses a simple electrical circuit, you will need to include a light or buzzer or motor and a switch. Your model can be of anything! Can you make it too?

Sir Steve Redgrave is our hero for Terms 3 and 4. Create a biography for him. Use the key features, paragraphs and subheadings to organise your writing. Why do you think he has been chosen as our hero?

Create a map of a journey from the UK to another country. Include distances and a key. Find out about the map symbols to use and include these to show key areas and landmarks.

Find a piece of art that shows a mountain. Find out who the artist is and create your own version of the picture. This could be a model, painting, drawing or using mixed media

The Extra Mile...

Can you complete any 6 squares on the

grid to get your Extra Mile sticker.

**Homeward Bound...**Record all your homework in your homework book. You do not need to bring in your homework each week to be checked. We will be holding a Trail End Homework Showcase in class on Tuesday 16th April when you can share your homework with the class and celebrate your hard work.
