1. Introduction

The safe recruitment of staff in schools is the first step to safeguarding and promoting the welfare of the children in education. The school is committed to this principle and expects all staff and volunteers to share this commitment. It is recognised that this can only be achieved through sound procedures, good inter-agency cooperation and the recruitment and retention of competent, motivated employees who are suited to, and fulfilled in the roles they undertake. The school is committed to ensuring that the recruitment and selection of all who work within the school is conducted in a manner that is systematic, efficient, effective and promotes equality of opportunity. The school will uphold its obligations under law and national collective agreements to not discriminate against applicants for employment on the grounds of age, sex, sexual orientation, gender reassignment, marital status, pregnancy, disability, race, colour, nationality, religion or beliefs.

2. Suitability for Employment

All posts within school are exempt from the Rehabilitation of Offenders Act 1974 and therefore all applicants will be required to declare spent and unspent convictions, cautions and bind-overs, including those regarded as spent and have a Disclosure and Barring Service Check (previously known as an Enhanced Criminal Records Disclosure, CRB).

The school is committed to ensuring people who have been convicted are treated fairly and given every opportunity to establish their suitability for positions. Having a criminal record will not necessarily be a bar to obtaining a position.

The school will:

1. ensure that appropriate staff who undertake recruitment have received safer recruitment training accredited by the Safer Recruitment Consortium. This is currently the Headteacher (Mr Jim Holditch), Deputy Headteacher (Miss Jillian Talbot), the HR Manager (Mrs Susan Dinley) and the Chair of Governors (Mr Steve King)
2. Ensure that every appointment panel includes one member who has received safer recruitment training
3. implement robust recruitment procedures and checks for appointing staff and volunteers to ensure that reasonable steps are taken not to appoint a person who is unsuitable to work with children, or who is disqualified from working with children, or does not have the suitable skills and experience for the intended role.
4. keep and maintain a single central record of recruitment and vetting checks in line with DfE requirements
5. require staff who are convicted or cautioned for any offence during their employment with the school to notify the school, in writing of the offence and the penalty.

The following pre-employment checks will be undertaken:

- Receipt of at least two satisfactory references, one of which will be from the former or most recent employer
- Verification of the candidate's identity in line with the requirements of The Immigration, Asylum and Nationality Act 2006
- Verification of right to work in the UK.
- A satisfactory Disclosure and Barring Service Check – DBS (previously known as a CRB clearance)
- Verification of the candidate's medical fitness
- Verification of qualifications

- Verification of professional registration as required by law for teachers
- Verification of successful completion of induction period (for those who obtained Qualified Teacher Status (QTS) after 7 May 1999)
- Disqualification by Association verification

3. Roles and Responsibilities

It is the responsibility of the governing body to:

- Ensure the school has effective policies and procedures in place for the
- recruitment of all staff and volunteers in accordance with DfE guidance and legal requirements
- Monitor the school's compliance with them

It is the responsibility of the Headteacher and other managers involved in recruitment to:

- Ensure that the school operates safe recruitment procedures and makes sure all appropriate checks are carried out on all staff and volunteers who work at the school
- Promote welfare of children and young people at every stage of the procedure

It is the responsibility of all potential and existing workers, including volunteers to comply with this document.

It is the responsibility of the School's Personnel provider (Capita) to deal with the administration of the disclosure system for the school in accordance with the School Staffing Regulations.

School governors may be involved in staff appointments, but the final decision will rest with the Headteacher. The Headteacher may delegate the selection process of staff outside of the leadership group to other managers in the school, but remains responsible for the decision to appoint.

4. The Procedure

4.1 Advertising

To ensure equality of opportunity, the school will advertise all vacant posts to encourage as wide a field of candidates as possible, normally this will entail an external advertisement.

However, where there is a reasonable expectation that there are **sufficient** qualified internal candidates or where staff are at risk of redundancy, an internal advertisement may be considered appropriate.

Advertisements for all positions will include the wording: 'The school is committed to safeguarding children and young people. All postholders are subject to a satisfactory Disclosure and Barring Service Check.'

Adverts will allow a reasonable amount of time for candidates to apply. There should be no less than 2 weeks from the position being advertised to the closing date for applications being received by the school.

4.2 Applications

The school uses a standard Kent Teach application form which must be submitted by every candidate. This can be done online or as a hard copy.

The school requires candidates to account for any gaps or discrepancies in employment history on this application form. Where an applicant is shortlisted, these gaps will be discussed at interview.

The application form makes applicants aware that providing false information is an offence and could result in the application being rejected or summary dismissal if the applicant has been selected, and possible referral to the police and other professional regulatory bodies (e.g: National College for Teaching & Leadership - NCTL).

4.3 References

References for shortlisted candidates will be sent for immediately after shortlisting. The only exception to this is where candidates have indicated on their application forms that they do not wish their current employer to be contacted. In such cases, this reference will be taken up immediately after interview and prior to any offer of employment being made. One reference will be sought prior to interview wherever possible.

References must be in writing, either by letter or email, and be specific to the job for which the candidate has applied - open references or testimonials are not acceptable. Only references from a trusted authoritative source will be acceptable. One reference should be taken up from the applicant's last employer.

Reference requests will specifically ask:

- About the referee's relationship with the candidate
- Whether the referee is completely satisfied that the candidate is suitable to work with children and, if not, for specific details of the concerns and the reasons why the referee believes that the person might be unsuitable.

Referees will also be asked to confirm details of:

- The applicant's current post, salary and attendance record
- Performance history and conduct
- Any disciplinary procedures in which the sanction is current or relating to the safety and welfare of children.
- Details of any allegations or concerns that have been raised that relate to the safety and welfare of children or behaviour towards children and the outcome of these concerns

References will be compared to the application form to ensure that the information provided is consistent. Any discrepancies will be taken up with the applicant at interview.

Any information about past disciplinary action or allegations will be considered in the circumstances of the individual case. Cases in which an issue was satisfactorily resolved some time ago, or an allegation was determined to be unfounded or did not require formal disciplinary sanctions, and which no further issues have been raised, are not likely to cause concern. More serious or recent concerns or issues are more likely to cause concern. A history of repeated concerns or allegations over time is also likely to give cause for concern.

4.4 Self-declaration of convictions by job applicants

The school's application process requires applicants for all posts to declare all criminal convictions whether "spent" or "unspent" and include any cautions and pending prosecution.

Such declarations will be made on an appropriate form. The chair of the interview panel / Headteacher will discuss relevant, positive declarations confidentially with the applicant at interview.

The disclosure of convictions, cautions or pending cases will not necessarily prevent employment but will be considered in the same way as positive Disclosure and Barring Service Checks.

4.5 Interviews

The selection process will always include the following:

- Face to face professional interview including a question related to safeguarding children (in line with Accredited Safer Recruitment Training)
- The size of the interview panel will be dependent on the position. The Headteacher will decide on the members of staff and/or Governors who will make up the interview panel.
- activity with children (for all posts that involve working with children)
- The interview panel will ensure equality of the interview experience for all candidates.

4.6 Proof of Identity and Right to Work in the UK & Verification of Qualifications and/or Professional Status.

Shortlisted applicants for all posts will be required to provide proof of identity. Similar information is also required to undertake a Disclosure and Barring Service Check on the preferred candidate.

Short-listed candidates will also be required to provide proof of their qualifications and professional status by producing documentation on the day of interview. The school will verify that candidates have actually obtained any qualifications legally required or deemed essential for the job and claimed in their application by asking to see the relevant certificate, or a letter of confirmation from the awarding body / institution. If the original documents are not available, the school will require sight of a properly certified copy. Where candidates have obtained qualifications abroad, a certified comparability check by NARIC will also be required.

Proof of identity and other documentation will be verified by the chair of the panel/ Headteacher.

4.7 Disqualification by Association

In February 2015, The Department for Education (DfE) published supplementary guidance to its 'Keeping children safe in education' guidance which refers to 'disqualification by association'. The legislation provides that a person will be disqualified from registration if they live in the same household as someone who is disqualified (or live in a household in which a disqualified person is employed). This means in practice that even though a teacher may not have committed or been convicted of one of the specified offences, they will still be disqualified if they live in the same household as someone who has, and therefore, it will be a criminal offence for a school to employ a teacher who lives in the same household as someone who has committed one of the specified offences. Where a teacher is disqualified, an application can be made to Ofsted for their disqualification to be waived.

In response to this legislation, the school will now be requesting that newly appointed staff complete a declaration form. This will consist of two parts:

1. firstly a declaration about their own position in relation to having committed and being convicted of one of the specified offences; and
2. secondly, a declaration regarding the position of anyone living in their household in regard to the specified offences.

4.8 Commencement of Employment prior to a Disclosure and Barring Service Check being received

In unusual circumstances it is permitted to commence employment prior to receiving a DBS check. However a Vetting and Barring scheme check and risk assessment **must** be completed.

4.9 Pre-Employment Checks

An offer of employment to a successful candidate. Including one who has lived or worked abroad, must be conditional upon satisfactory completion of pre-employment checks as outlined in the DfE document 'Keeping Children Safe in Education' (April 2014)

4.10 Employment Offer

It may be possible to negotiate a provisional start date with the preferred candidate, however, with the exception of DBS disclosures, the checks detailed above must all be completed BEFORE a person's appointment is confirmed. In the case of DBS disclosures, the certificate must be obtained before or as soon as practicable after appointment.

Once all pre-employment checks have been satisfactorily completed / received, an offer of employment will be made and the contract of employment issued. The contract will be issued as soon as possible.

5. Record Keeping

5.1 Record Retention / Data Protection

The school will retain all interview notes on all applicants for a 6 month period, after which time the notes will be destroyed (i.e.: shredded). The 6 month retention period will allow the school to deal with any data access requests, recruitment complaints or to respond to any complaints made to the Employment tribunal. Under the Data Protection Act 1998, applicants have a right to request access to notes written about them during the recruitment process. Applicants who wish to access their interview notes must make a subject access request in writing to the chair of the panel / Headteacher within 6 months of the interview date.

5.2 Personal file records

From January 2008, the school will retain the following information which will make up part of the personal file, for the successful candidate:

- Application form
- References
- Proof of identification
- Proof of academic qualifications
- Proof of registration with National College for Teaching & Leadership - NCTL (for teaching staff)
- Evidence of medical clearance from Occupational Health (where applicable)
- Evidence of the DBS clearance (i.e. the notification form from Capita or the DBS certificate reference number, NOT the actual DBS form or certificate)

6. Single Central Record of Recruitment Vetting Checks

In line with DfE requirements, the school will keep and maintain a single central record of recruitment and vetting checks. The central list will record all staff who are employed at the school, including casual staff, supply agency staff whether employed directly or through an agency, volunteers, governors who also work as volunteers, and those who provide additional teaching or instruction for pupils but who are not staff members, e.g: specialist sports coach or artist.

The central record will indicate whether or not the following have been completed:

- Identity checks
- Qualification checks for any qualifications legally required for the job including registration checks with the ~~GTC~~ NCTL where appropriate

- Checks of right to work in the United Kingdom
- DBS Enhanced Disclosure
- Further overseas records where appropriate

It shall also indicate who undertook the check and the date on which the check was completed or the relevant certificate obtained.

In order to record supply staff provided through an agency on the record, the school will require written confirmation from the supply agency that it has satisfactorily completed the checks described above. The school does not need to carry out checks itself except where there is information contained within the disclosure. However identity checks must be carried out by the school to check the person arriving is the person the agency intends to refer to them.

7. Related Policies and Guidance Materials

This policy should be read in conjunction with the school's policies on:

- Child Protection
- Equal Opportunities
- Whistleblowing
- Induction
- Racial Equality
- Staff Discipline

The school follows the DfE guidance '**Keeping Children Safe in Education**' (2015) and '**Working Together to Safeguard Children**' (DfE 2015). Some of this guidance is underpinned by statutory requirement, whilst some is strongly recommended.
