

# PLANTS, POTS AND SOIL

Does anyone work in either a garden centre or a store that sells gardening items?

We are looking for donations of some large plastic plant pots/planters, some bedding plants/spring bulbs and some soil for a little nature area we are planning for the children.

If you can help us or know of a way we can get some of the above, please contact Mrs Carr [opal@godinton.kent.sch.uk](mailto:opal@godinton.kent.sch.uk)

With spring on the way, if you are having a clear out and have anything you feel may be of use to Opal and suitable for the children to play with outside, please think of us.

**MANY THANKS**
