

Cuckoos and Magpies' Homework Trail (Term 5 2025–2026)

Weekly homework tasks

Reading

Read for at least 10 minutes, three times a week. This could be your school reading book or a book from home.

Mathletics and Time Tables

A task will set on Mathletics each week. You can use the games and challenges available on Mathletics as often as you like. The more, the better! Practice the times tables facts that have been sent home.

Spellings

Take a word list home each week to practise. Have a look at the high frequency word lists that can be found on the [school website](#). Select the coloured list that contains words that you know you need to practise to enhance your writing.
